Note for authors:

Please note that contributions will only be published in the Conference Proceedings if at least one of the authors of the paper is registered before September 30, 2019

Mode of Presentations

Each participant can take part in this unique conference in one of the following three modes of presentation:

1. Oral Presentation

Each presentation will last 15-20 minutes and will be presented in parallel thematic sessions. You will be informed of your session reference and the time of your presentation about 3 weeks before the event. If your personal circumstances restrict you to presenting your paper on a specific date, please send us an email with your request as soon as possible.

2. Poster Presentation

Your poster will be exhibited during the conference poster session. Poster sessions will provide an opportunity for authors to display the results and conclusions of their papers. Authors are invited to present their works face to face to individuals and small groups.

3. Virtual Presentation

If you wish for your paper to be published in the Conference proceedings but you are not able to attend the Conference in person, you can register for a "virtual presentation". Registered virtual authors will receive a copy of the conference proceedings on a USB flash drive, a participation and author certificate and an invoice of the registration fee.
